### Additional Comments

The risk assessment is a review to the initial draft and identifies additional controls for maintaining safety whilst increasing the school population to full capacity.

The assessment identifies controls for staff, parents, children and other visitors who attend the premises. The assessment will require regular review in accordance with the publication of additional or revised guidance from Government, DFE or other interested parties.

Additional monitoring will also take place by school leaders and directors of Vision Learning Trust to ensure controls remain effective.

The assessment will also be reviewed in the event of any further regional lock down, increased exposure or ill health identified within the school.
